In accordance with Federal civil rights law and U.S. Department of Agriculture (USDA) civil rights regulations and policies, the USDA, its Agencies, offices, and employees, and institutions participating in or administering USDA programs are prohibited from discriminating based on race, color, national origin, sex, disability, age, or reprisal or retaliation for prior civil rights activity in any program or activity conducted or funded by USDA.

Persons with disabilities who require alternative means of communication for program information (e.g. Braille, large print, audiotope, American Sign Language, etc.), should contact the Agency (State or local) where they applied for benefits. Individuals who are deaf, hard of hearing or have speech disabilities may contact USDA through the Federal Relay Service at (800) 877-8339. Additionally, program information may be made available in languages other than English.

To file a program complaint of discrimination, complete the USDA Program Discrimination Complaint Form, (AD-3027) found online at: [www.ascr.usda.gov/complaint\\_filing\\_cust.html](http://www.ascr.usda.gov/complaint_filing_cust.html), and at any USDA office, or write a letter addressed to USDA and provide in the letter all of the information requested in the form. To request a copy of the complaint form, call (866) 632-9992. Submit your completed form or letter to USDA by: (1) mail: U.S. Department of Agriculture, Office of the Assistant Secretary for Civil Rights, 1400 Independence Avenue, SW, Washington, D.C. 20250-9410; (2) fax: 202-690-7442; or (3) email: [program.intake@usda.gov](mailto:program.intake@usda.gov).

## **INTRODUCTION**

### **MASSACHUSETTS WIC NUTRITION PROGRAM**

WIC is a supplemental food program funded by the United States Department of Agriculture and administrated through the Massachusetts Department of Public Health and the Bureau of Family Health and Nutrition. WIC is a unique health and nutrition program serving women and children with or at risk of developing nutrition related health problems. WIC provides nutrition education counseling, free nutritious food, and access to health care to low-to-moderate income pregnant women, infants and children under five.

#### **PROVEN EFFECTIVE SERVICES**

WIC works! WIC is widely acknowledged to be effective in the prevention of immediate health problems and in the improvement of long-term health outcomes. Research and evaluation studies have shown that:

- ✓ Women participating in WIC have improved diets, receive prenatal care earlier, and have improved pregnancy outcomes.
- ✓ Infants born to WIC mothers have better birth weights, larger head size, and are less likely to be premature.
- ✓ WIC infants and children consume more iron, vitamin C and other nutrients, resulting in improved growth and nutritional status.
- ✓ Children enrolled in WIC are more likely to have regular medical care and immunizations and demonstrate better cognitive performance.
- ✓ WIC families buy more nutritious foods than non-WIC families.

And WIC saves money! Studies have shown that WIC is cost effective. Each dollar spent on WIC saves three dollars on future health care costs.

#### **WIC BENEFITS**

Each month, a WIC nutritionist determines participants' dietary needs and counsels them on their nutritional concerns. Participants receive monthly benefits for nutritious foods prescribed for their individual needs. WIC benefits are redeemed only at those retail grocery stores and pharmacies that have been selected by the WIC Program to serve as authorized WIC vendors. Massachusetts currently authorizes over 900 stores and pharmacies to participate in WIC.

WIC vendors are an important part of the Massachusetts WIC Nutrition Program and it is necessary that all retailers who apply to become WIC vendors understand the WIC Program rules and regulations. The Vendor Application packet provides an overview of the Massachusetts WIC Nutrition Program as well as specific instructions for completing the enclosed application.

Please read all of the information contained in the application packet. All applications **MUST** be complete and all supporting documentation **MUST** be submitted with the application in order to accurately assess the eligibility of each retail store for a WIC Vendor Agreement.

## **RETAILER ENABLEMENT**

The Massachusetts WIC Nutrition Program issues food benefits through Electronic Benefit Transfer (EBT) system called the WIC Card. The system benefits both the retailer and the WIC customer by delivering seamless WIC transactions at each cash register, making the transactions like other debit or credit card transactions, and removing any stigma for the WIC customer.

Retailers wishing to apply to become a WIC vendor must have the capability to operate either an integrated or non-integrated multi-function system in order to accept WIC benefits. In either system, when a WIC Card is swiped, the device will obtain the benefit balance for the WIC customer and match the scanned food/formula items against the Massachusetts Approved Product List (APL) to accept the WIC customer's purchases. The two different types of systems that enable vendors to accept WIC benefits are:

- Integrated – the WIC software is part of the store's cash register system. Integrating WIC into the POS system and normal business processes is the preferred solution as it allows retailers to manage inventory, payment, and settlement for WIC items within the same system that manages transactions for cash and other tenders. The integrated system also provides a more streamlined purchase experience for the WIC customer.
- Non-Integrated Multi-Function System - the WIC Card software is on the Point-of-Sale (POS) device. The POS device must be capable of supporting WIC and other payment types such as the Supplemental Nutrition Assistance Program (SNAP). Retailers will need to reconcile the WIC transactions to their Electronic Cash Register (ECR) system.

### **Integrated POS** **Upgrade Current System**

This option is for vendors that choose to upgrade their current POS system with an integrated WIC EBT certified Electronic Cash Register (ECR) system. An integrated ECR system, upgraded to accept WIC Card transactions, allows the vendor to maintain their current POS and business processes while integrating WIC redemptions with other payment types. An upgrade to an integrated ECR:

- may have been tested and certified by USDA in another State
- allows vendors to maintain their existing POS and business processes
- supports seamless WIC transactions at the POS
- eliminates the need for WIC customers to separate items at the checkout (mixed basket)
- integrates WIC into vendor's existing inventory, redemption and settlement processes.

The vendor is responsible for all the costs associated with upgrade of their current Point-of-Sale (POS) system's hardware and/or software.

## **Integrated POS Replacement System**

This option is for vendors that currently have no WIC EBT capability available in their existing system or are currently planning to update their POS systems. System replacement with an integrated ECR has all of the advantages of a system upgrade. A full system replacement with an integrated ECR:

- may have been tested and certified by USDA in another State
- allows vendors to upgrade out-of-date equipment and processes while achieving WIC Card enablement
- supports seamless WIC transaction at the POS
- eliminates the need to WIC customers to separate items at the checkout (mixed basket)
- integrates WIC into vendors' existing inventory, redemption, and settlement processes

The vendor is responsible for all the costs associated with system replacement of their current POS system with an integrated WIC EBT certified ECR system.

## **Certification Process for Integrated Systems**

If a store is integrated, a certification process must be completed in order to conduct WIC transactions. There are three certification levels:

- Level I is a pre-certification process where the software provider runs a number of transaction scripts and verifies the results.
- Level II certification occurs at the software provider's location and is conducted by Custom Data Processing (CDP) (WIC Card contractor) and the State WIC staff. The transaction scripts are run once again and the results are verified by CDP and WIC staff. This certifies that the cash register software will correctly handle WIC transactions.
- Level III certification is a live in-store test to verify the proper installation and set-up of the store's cash register system. Level III tests include various scenarios for WIC transactions.

For more information about the Retailers Enablement - USDA posted the guidelines for the development and implementation of Electronic Benefit Transfer (EBT) systems for the Special Supplemental Nutrition Program for Women, Infants and Children (WIC). The link to the website for the specifications used to use the WIC Card in an integrated system is:  
<http://www.fns.usda.gov/wic/ebt/operatingrules-implemguide.htm>

### **Non-Integrated POS** **Multi-Function System**

The non-integrated multi-function system consists of a terminal and item scanner that operates independently of vendors' ECR system. The non-integrated multi-function POS communicates with the EBT system through a phone line or internet connection and is entirely separate from the store's overall inventory. A non-integrated multi-function POS system:

- supports other EBT payment tender types such as SNAP transactions
- requires a 'double scan' – first against the multi-function POS device and second through the vendor's ECR system
- does not support mixed basket transactions (WIC items are the only items that can be transacted)

FIS Government Solutions is the host/processor that will be handling the non-integrated multi-function terminals for stores that will be utilizing this type of POS system. Any vendor requiring the non-integrated multi-function terminal must complete the Application and Agreement for Benefits Redemption with FIS in order to be able to participate in the WIC Program.

The vendor is responsible for all the costs associated with the non-integrated multi-function system including a monthly service fee of \$22.00, and a monthly transaction fee of \$10.00 (which includes 100 transactions per month). Additional transactions fees are outlined on page 8 of the Fidelity Information Services, LLC (FIS) Government Solutions Agreement for Benefits Redemption-Quest Rules-Monthly Service and Fees Addendum.

## 2019-2021 VENDOR APPLICATION PROCESSING SCHEDULE

\*The WIC Agreement will expire in accordance with the above schedule. The WIC Program may renew this Agreement for no more than two (2) consecutive one (1) year renewal periods if the WIC Program is satisfied that the vendor continues to meet: the customer service qualifying criteria; business integrity criteria; quality standards including compliance with the rules, regulations, policies and procedures governing the WIC Program; continued compliance with state and local sanitary codes and food safety requirements; WIC sales volume criteria; cost containment requirements; and records retention requirements of the WIC Program.

**\*\*New Retailers Only:** If using a non-integrated multi-function system, the contract projected date will vary depending on when the vendor returns the completed FIS Application and Agreement for Benefits Redemption. This agreement is between FIS and the vendor for the non-integrated multi-function system. Vendors will **not** be allowed to participate in WIC until FIS has a complete and signed agreement with the vendor.

## **THE VENDOR SELECTION CRITERIA**

Vendor authorization will be based on the following requirements:

### **Customer Service Qualifying Criteria:**

- A. **VALID BUSINESS LICENSE** - The applicant must have a valid business license to operate in the Commonwealth of Massachusetts and any other legally required State, City, or Town licenses or permits.
- B. **HOURS OF OPERATION** - The applicant's store must be open at least 10 hours a day, 6 days a week.
- C. **FIXED LOCATION** - The applicant must operate a permanent, fixed retail establishment located in the Commonwealth of Massachusetts.
- D. **FRESH PRODUCTS** - The applicant must provide fresh products and infant formula (within expiration dates) in a clean and sanitary environment.
- E. **STAPLE FOODS** - The applicant must provide a variety of staple foods for sale including: fresh, frozen, and/or canned fruits and vegetables, fresh and/or frozen meats, dairy products, and grain products such as bread, rice, and pasta. Pharmacies are excluded.
- F. **MANDATORY MINIMUM INVENTORY** - The mandatory minimum inventory of approved WIC foods and infant formula must be available on the shelves at all times (food vendor applicants see Attachment 4; pharmacy applicants see Attachment 5). All applicants will be inspected by the WIC Program to verify that the Mandatory Minimum Inventory of WIC items are in stock. Failure to stock and maintain the mandatory minimum inventory food items, in required quantities, after submission of a vendor application will be grounds for denial.
- G. **INFANT FORMULA SUPPLIERS** - The applicant is required to purchase infant formula solely from a list of suppliers approved by the Massachusetts WIC Program. (See Attachment 6 for a listing of approved infant formula suppliers). This list includes wholesalers, distributors, and retailers authorized in Massachusetts, or formula manufacturers registered with the Food and Drug Administration. No other sources may be used to obtain infant formula. Invoices for the infant formula purchase must be maintained for at least the three previous years plus the current year.
- H. **E-MAIL ADDRESS** - The applicant must have an e-mail address in order to do business with the Massachusetts WIC Program. Failure to have and/or maintain an e-mail address for the store will be grounds for denial or termination of the Vendor Agreement.
- I. **TRAINING** - The applicant must agree that the manager of the store or an authorized representative, such as the person at the store who is responsible for WIC, will attend mandatory WIC training sessions as scheduled by the Massachusetts WIC Nutrition Program. The applicant must agree to train all staff using WIC approved training materials.
- J. **PERCENTAGE OF FOOD SALES FROM WIC** - WIC sales cannot make up more than 50% of vendor's total annual food sales. Applicants will not be accepted if it is expected that food sales from WIC compromise more than 50% of total food sales. Currently authorized vendors' volume of WIC redemptions will be monitored to determine if they exceed 50% of total annual food sales.

- K. **WIC BENEFITS** – The applicant must be able to accept WIC benefits through the use of a Massachusetts WIC approved integrated or non-integrated multi-function system. Refer to page 2 for details.
- L. **MINIMUM LANE COVERAGE** – Stores with three or more cash registers are required to have an integrated system and equip all cash registers with the software to process WIC benefits. Stores with one to two cash registers must equip one cash register if the monthly WIC sales is less than or equal to \$8,000 or both cash registers if the monthly sales exceed \$8,000.
- M. **SUPPLEMENTAL NUTRITION ASSISTANCE PROGRAM (SNAP) PARTICIPATION** - The applicant, with the exception of pharmacies, must participate in SNAP. Please note that participation in SNAP satisfies only one WIC selection criteria and, by itself, shall not constitute compliance with all other necessary WIC selection criteria.
- N. **COMPLIANCE WITH WIC AND SNAP REGULATIONS** - The owners and managers listed on the application must have an acceptable history of compliance with WIC, SNAP, and other Food and Nutrition Services (FNS) Programs. Current and prior compliance or prior non-compliance with WIC, SNAP, and other FNS Programs will be considered. WIC will consider whether owners or managers listed on this application owned, managed or were responsible for WIC, SNAP or other FNS Programs at a store that is or was subject to enforcement actions. The following are grounds for denial:
- i. Current disqualification from WIC, SNAP or an FNS Program.
  - ii. Past disqualification from WIC, SNAP or an FNS program, depending on the nature and severity of the reasons for past disqualification.
  - iii. Failure to comply with federal WIC or SNAP regulations.
  - iv. Failure to pay in full any monetary claims assessed by the WIC Program, SNAP or any other FNS Program.
  - v. Warnings and sanction points, depending on the nature and severity of the violations. Cumulative sanction points at all stores owned or managed by applicant(s) or at stores where applicants were responsible for WIC will be considered.
  - vi. Attempt to circumvent a period of disqualification from the WIC Program, SNAP, or other FNS Program, a civil monetary penalty imposed for violations of these programs, or sanction points issued under the WIC Program.
  - vii. Failure to keep and/or produce inventory records.
- O. **BUSINESS INTEGRITY** - The applicant must demonstrate business integrity and a sound reputation. WIC will consider business integrity and sound reputation of the following: owners, officers, partners or the immediate family of owners, officers, or partners involved in the operation of the businesses, the corporate entity, the manager, or any stockholder who has a 5% or greater ownership interest. For each of these the applicant must disclose the following:
- i. Criminal records (current charges and/or past convictions or forfeited collateral for any crime. Does not include: offenses committed before an 18th birthday which were adjudicated in a juvenile court or under a youth offender law, convictions for which the record has been expunged under Federal or State law, or any conviction set aside under the Federal Youth Corrections Act or similar State Authority, or minor traffic violations.)
  - ii. Official records of removal from other Federal, State, or local programs including whether above mentioned people or corporation ever had a license denied, withdrawn, or suspended or been fined for license violations, such as, business or health licenses.

- iii. Judicial determinations in civil litigation reflecting adversely on the integrity of the above mentioned people.
- iv. Evidence of attempt to circumvent disqualification from the WIC or SNAP a civil monetary penalty imposed for violations of WIC or SNAP.  
Evidence of prior fraudulent behavior of the above mentioned people, corporation, or their managers.
- v. Other evidence reflecting on the business integrity and reputation of the above mentioned people or corporation.

If the Vendor Application reveals any of the above, the applicant will be given an opportunity to attach a written explanation giving the name of the person(s) charged or convicted and their relationship to the owner, officer, partner or corporate entity, and their current or past position, if any, in the store or corporation, the court and court docket number, the crime(s) and date(s) committed, the penalty and time served, and any other relevant information.

- P. **ACCURACY** - The applicant must submit a complete and accurate Vendor Application. Inaccurate or incomplete information in the Vendor Application or price list may be cause for denial or later termination or/and disqualification from the WIC Program. All applicants will be inspected by the WIC Program to verify the accuracy of the Application.
- Q. **COMPETITIVE PRICES** - The applicant prices must be competitive with other authorized vendors within the same Peer Group. (See page 10 for further information on price issues).
- R. **CONTINUING QUALITY STANDARDS:**
  - **Continued compliance** with WIC regulations including consideration of business integrity standards. **Continued compliance** with state and local sanitary codes, licensure requirements, and food safety requirements.
  - **Not-to-Exceed (NTE)** - The NTE is the maximum amount that Massachusetts WIC will pay for specific food items identified by their Universal Product Code (UPC). The NTE is calculated from the actual prices paid for food redeemed through the WIC Card transactions. NTE may be reevaluated for price competitiveness at any time during the authorization period and vendors may be terminated for non-price competitiveness.
  - **WIC sales volume** - The State will review the volume of WIC sales at each authorized WIC vendor on a periodic basis. Low or zero volume of WIC sales may result in loss of WIC authorization.

### **FAIR HEARINGS**

If a Vendor Application is non-selected for any reason except incompleteness and a vendor wishes to appeal the decision, the vendor must request a fair hearing by writing within 30 days of receiving the non-selection letter to the following address:

Vendor Specialist  
Massachusetts WIC Nutrition Program  
Department of Public Health  
250 Washington Street, 6th floor  
Boston, MA 02108

## **HOW DOES THE WIC PROGRAM EVALUATE COMPETITIVE PRICING?**

Food costs are the main determinant of the number of women, infants, and children that WIC can serve. Therefore, pricing and cost containment are critical factors in the authorization and monitoring of WIC vendors.

To ensure that the maximum number of participants have reasonable access to the WIC products they require, WIC will pay a "fair and competitive" price for WIC products. WIC defines "fair and competitive" as prices that are within a reasonable range of prices charged by comparable Massachusetts retailers for the same or similar items. In support of cost containment, the WIC Program must be able to classify vendors into peer groups. Vendors are assigned into peer groups for selection/authorization as well as to establish reimbursement prices based on the assumption that stores with similar characteristics should be charging comparable prices for WIC foods.

To measure the 'fair and competitive' standard, WIC compares food costs within 'peer groups' of stores authorized to do business with the WIC Program. The peer group assignments are currently based on information captured on the Vendor Application. A peer group is defined by the WIC Program according to a number of common characteristics such as:

- Type of business (major or small chain, independent, chain or independent pharmacy, commissary)
- Type of ownership (sole proprietorship, partnership, corporation, cooperative)
- Size (sales volume, food inventory, number of checkout lanes)
- Location (urban, suburban, rural, special district)

The Not-to-Exceed (NTE) is the maximum amount that Massachusetts WIC will pay for specific food items identified by their Universal Product Code (UPC). An average redemption price is calculated for each peer group and for each UPC using the previous three (3) months' worth of redemption data. This calculation is performed on a bi-weekly basis.

The WIC Program reviews the prices charged for WIC foods and assigns a NTE to each food item. Each WIC Card transaction is reviewed against this NTE. The prices submitted on the Price List (Attachment 2 & 3) are compared to the current NTE prices of WIC authorized vendors within the same Peer Group for the following food items:

Milk – gallon (whole, 2%, 1%, skim)  
Cheese  
Eggs  
Cereal  
Juice  
Peanut Butter  
Dry Beans (bag)

Beans (canned)  
100% Whole Wheat Bread  
Brown Rice/Whole Wheat Pasta  
Whole Wheat Tortillas  
Dry Infant Cereal  
Infant Fruits & Vegetables  
Infant Formula

If one food item's price exceeds the vendor's assigned Peer Group, the application will not be automatically rejected. Rather, the WIC Program will advise the applicant that their prices are too high and give the applicant an opportunity to resubmit a more competitive price list. Failure to submit a competitive price list, after being given the opportunity to do so, shall be deemed a withdrawal of the applicant's WIC Vendor Application.

## **VENDOR COST CONTAINMENT**

### **HOW DOES THE WIC PROGRAM EVALUATE "ABOVE 50% VENDORS"**

The Child Nutrition and WIC Reauthorization Act of 2004, Public Law 108-265 incorporates into the WIC Program regulations new legislative requirements for vendor cost containment that affect the selection, authorization and reimbursement of WIC vendors.

Federal regulations require Massachusetts WIC to evaluate vendors at the time of authorization, reassess new vendors within six month after authorization, and then annually to determine if the vendor should be designated as an "above-50 percent vendor".

Massachusetts WIC will not authorize active vendors, newly authorized vendors, and vendors that are expected to derive more than fifty (50%) of their annual food sales revenue from the redemption of WIC benefits.

Applicants applying to WIC are asked whether or not they expect to derive more than 50-percent of their annual food sales revenue from the redemption of WIC benefits. If vendor's answers "yes", the store must be classified as above-50 percent vendor and will not be accepted to participate in the WIC Program.

Any current vendor who is found to meet this criterion will be notified that their WIC Vendor Agreement will be terminated for the remainder of the contract cycle unless it is determined that this vendor is needed due to inadequate participant access.

Vendors must provide the state WIC Vendor Unit with documentation of the store's actual gross food sales<sup>1</sup> in order to ensure that the store is fairly assessed. All vendors must maintain a record of all documented food sales for a period of three years and must provide this information for evaluation purposes upon request.

Failure to provide documentation requested by Massachusetts WIC within the timeframe specified will result in termination of the store's WIC Vendor Agreement. The following documents are used to verify the store's actual gross food sales:

- Financial Statements
- Accounting Reports
- Tax Forms
- Mass. Dept. of Revenue Webfile for Business File Returns - Sales Tax Monthly/Quarterly
- Any other records sufficient to verify the store's food sales amount.

If a vendor is asked to provide documentation of the store's food sales amount and is unable to prove that the store is not an "above-50-percent vendor" or if there is not a respond to the request for documentation, the store will be classified as an "above-50-percent vendor", and will be terminated from the program for the remainder of the contract cycle.

---

<sup>1</sup> Massachusetts WIC presently defines 'food sales' as sales of SNAP Program-eligible foods. The SNAP regulations at 7 CFR 271.2 defines 'eligible foods' as:

1. Any food or food product intended for human consumption except alcoholic beverages, tobacco and hot foods and hot food products prepared for immediate consumption.
2. Seeds and plants to grow foods for the personal consumption of eligible households. Food sales do not include sales of any items that cannot be purchased with SNAP benefits, such as hot foods or food that will be eaten in the store.

## **WHAT IS THE WIC MANDATORY MINIMUM INVENTORY FOR FOOD VENDORS?**

In order for a Vendor Application to be considered, the applicant must stock all categories of WIC foods as described below—the Mandatory Minimum Inventory. These foods must be fresh and must be in adequate supply in order for WIC participants to purchase them whenever the vendor is open for business. **Failure to stock and maintain a WIC mandatory minimum inventory of food items in the required quantities after submission of the Vendor Application will be grounds for denial.**

A Mandatory Minimum Inventory Checklist is included as Attachment 4. The WIC Program strongly recommends that this checklist is used to make sure the Vendor Application is complete.

NOTE: The Mandatory Minimum Inventory may be amended by the WIC Program during the Agreement period.

## **WHAT IS THE WIC MANDATORY MINIMUM INVENTORY FOR PHARMACIES?**

A pharmacy must stock two (2) of the following categories of infant formulas: 1) iron-fortified formula, and 2) special prescription formulas and adult/pediatric nutritionals. The formulas must be fresh (within expiration date), and in adequate supply in order for WIC participants to purchase them whenever the pharmacy is open for business. The pharmacy must be willing and able to provide any special formulas within 48 hours (see below for more details). **Failure to stock and maintain a WIC mandatory minimum inventory of WIC products in required quantities after submission of the Vendor Application will be grounds for denial.**

A Mandatory Minimum Inventory Checklist is included as Attachment 5. WIC strongly recommends that this checklist be used to make sure the Vendor Application is complete.

NOTE: The Mandatory Minimum Inventory may be amended by the WIC Program during the Agreement period.

### **THE MANDATORY MINIMUM INVENTORY FOR PHARMACIES:**

#### **1. IRON-FORTIFIED INFANT FORMULA**

All of the following:

Similac Advance, 12.4 ounce powdered

**Minimum stock: 2 cases total (12 cans)**

Similac Advance, 13 ounce concentrate – **upon request**

Similac Advance, 32 ounce ready-to-feed – **upon request**

Similac Soy Isomil, 13 ounce concentrate – **upon request**

Similac Soy Isomil, 12.4 ounce powdered – **upon request**

Similac Soy Isomil, 32 ounce ready-to-feed – **upon request**

2. **SPECIALIZED INFANT FORMULA AND ADULT/PEDIATRIC NUTRITIONALS**

Specialized infant formulas and adult/pediatric nutritionals must be available within **48 hours** of notification by the local WIC program or a participant with current WIC benefits. Such products include:

3232A	Neocate Infant DHA & ARA	Pulmocare
Boost Kid Essentials 1.0 Cal	Neocate Junior	PurAmino DHA/ARA
Boost Kid Essentials 1.5 Cal.	Nutramigen	RCF
Boost Kid Essentials w/F 1.5 cal.	Nutramigen with Enflora LGG	Similac Alimentum

KetoCal 4:1	PKU-3	XPhe Maxamum
MSUD-2	Pregestimil	

Other specialized formulas for inborn errors of metabolism may also be prescribed by WIC and must be made available within **48 hours**. A complete listing of all WIC approved formulas is available upon request.

## **HOW TO FILL OUT THE WIC VENDOR APPLICATION**

1. If applying as a food vendor, attach a completed food vendor price list (**Attachment 2**) to the application. If applying as a pharmacy, attach a completed pharmacy price list (**Attachment 3**) to the application. If applying as both a food vendor and a pharmacy, attach a food vendor and pharmacy price list (**Attachments 2 and 3**) to the application.
2. **PLEASE TYPE OR PRINT ALL ITEMS CLEARLY.** The WIC Program will not consider incomplete Vendor Applications. Fill out all parts of the application and do not leave any questions blank. Attach all required documents to the application. The Vendor Application must be complete and accurate, and it must be signed by the owner, manager, or other individual with legal authority to obligate the vendor. If a Vendor Application is rejected for incompleteness, the vendor may not appeal the decision by requesting a fair hearing.
3. List the names of all owners of the store or business (item 17 on the application). If the business is a corporation, give the corporate name in item 16 and list the names of the President, Vice President, and Treasurer in item 17. If there is more than one Vice President, list the Vice President who is chiefly responsible for the operation of the store. List the names and addresses of all shareholders' holding a 5% or greater interest in the corporation.
4. Complete the information at the top of the price list.
5. Fill out the price list carefully and completely. Do not estimate or project prices. The prices must reflect **THE STORE'S CURRENT ACTUAL SHELF PRICES.** When the price list does not specify the brand name for the WIC food item, select the brand with the HIGHEST price. **ACTUAL SHELF PRICES** are necessary for the WIC Program to evaluate prices charged by vendors for the purposes of characterizing stores by peer group and to monitor compliance. Fill in the price of the item and indicate the brand name of the item in the space provided.
6. When filling out the price list, only give prices for items currently on the shelf. When prices are given for WIC Minimum Inventory requirement items in the quantities specified, do not list the sale price. Write the actual price or the Vendor Application will be considered inaccurate and will be denied.
7. The corporate office may complete the application and price list for each outlet of a chain store. **AN APPLICATION AND PRICE LIST MUST BE COMPLETED FOR EACH LOCATION WITHIN THE CHAIN.**
8. **IF A SPACE IS LEFT BLANK ON THE PRICE LIST, THE WIC PROGRAM WILL ASSUME THAT THE VENDOR DOES NOT CARRY THAT PARTICULAR ITEM.** Use the Mandatory Minimum Inventory Checklist (Attachment 4 for food vendor applicants, Attachment 5 for pharmacy applicants) to see if the price list is complete. The application will be denied if prices are not provided for Mandatory Minimum Inventory of WIC items.
9. Sign and date the last page of the application(s) and the price list. **THE APPLICATION AND PRICE LIST ARE INVALID IF THEY ARE NOT SIGNED AND DATED.**

10. IF ASSISTANCE IS NEEDED IN FILLING OUT THE VENDOR APPLICATION AND PRICE LIST, PLEASE CONTACT THE VENDOR STAFF OF THE MASSACHUSETTS WIC NUTRITION PROGRAM AT 1-800-552-9425 OR (617) 624-6100. **Please submit only original applications, no faxed or copies of applications will be accepted.**
11. All applications must be submitted to the following address:

**Vendor Specialist  
Massachusetts WIC Nutrition Program  
250 Washington Street, 6th floor  
Boston, MA 02108**

- **If yes**, to the above, attach a written explanation, giving the names of the person(s) charged or convicted and their relationship to the owner, officer, partner, manager or corporate entity, and their current or past position, if any, in the store or corporation, the court and court docket number, the crime(s) and date(s) committed; the penalty and/or time served, and any other information you want considered related thereto.

- B. Have the owners, managers, or corporation ever had a license denied, withdrawn or suspended or been fined for license violations i.e., business or health licenses? ☐ YES ☐ NO

**If yes**, attach an explanation, listing the type of license, the reason for and date of denial, fine or suspension or withdrawal.

29. Quality Standards — Attach current business, health and other state or local licenses.
30. Certification and Signature of Owner — By the person who has the authority to apply on behalf of the store:

I hereby certify that the information supplied by me on this application and Price List is correct. If it is determined that the information supplied is not correct or that, in review of the information supplied, the Massachusetts WIC Program finds that my store does not meet the criteria to be a WIC vendor, my store will not be approved for a contract.

I understand that if this store is selected for a WIC Agreement, I will be bound by the WIC Program regulations and policies including but not limited to:

1. Charging the correct prices on WIC benefits at the time of purchase. The prices for the WIC approved foods shall be competitive with and not exceed the average shelf price of other vendors in the same peer group;
2. Attending vendor education sessions;
3. Training employees about WIC procedures using WIC approved training materials;
4. Being periodically monitored;
5. Accepting responsibility on behalf of the store and its owner(s), manager(s), and employees to prevent violations of the WIC Program rules and regulations;
6. Accepting responsibility on behalf of the store and its owner(s), manager(s), and employees including new, part-time, paid or unpaid employees, for violations of WIC procedures committed;
7. Updating information on this Application as required by the WIC Program.

I understand that this is only a request for a WIC Vendor Agreement and, except as specified herein, does not constitute an Agreement.

Signed by the individual with legal authority to obligate the owner(s) of this store.
